REQUEST FOR CORRECTED FILING RECEIPT

A corrected filing receipt is hereby requested in view of the errors which appear in the original. Namely, the title of the patent application on the filing receipt is incorrectly listed as "Computer Having Hard Drive Latching Mechanism." The correct title of the patent application is "Computer System Having Hard Drive Latching Mechanism." For the convenience of the Patent and Trademark Office, attached is a photocopy of the original receipt on which the omitted term "system" has been added and the correction has been highlighted in yellow.

Because the errors are not due to any errors by Applicants, no fee is believed to be due in connection with the filing of this document. However, should any fee under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from Deposit Account No. 06-1315; Order No. COMP:0133/VAN.

Respectfully submitted,

Date: April 4, 2001
